June 2008

The Board of Trustees is pleased to announce the FORTYFIFTH ANNUAL NATIONAL WASHINGTON CROSSING FOUNDATION SCHOLARSHIP AWARDS for STUDENTS COMPLETING TWELFTH (or final high school year) in 2009 who are planning careers in government service.

We invite you to explore our web site www.gwcf.org, which contains all of the information candidates should require to prepare and submit an application. Each interested student is invited to write a one-page essay stating why he or she plans a career in government service including any inspiration to be derived from the leadership of George Washington in his famous crossing of the Delaware. The student must confine the essay to viewpoint, attitude and purpose in choice of career.

This essay must be accompanied by a recommendation from the high school principal or guidance counselor evaluating the student's achievements, academic and otherwise--particularly any preparation relevant to his or her career choice--along with transcripts, national testing scores, and other supporting information of the applicant's choice as described in the Official Rules.

Winners receive an all expenses paid weekend, including transportation and housing, in Bucks County, Pennsylvania, to attend the Scholarship Awards Ceremony. All winners must attend the Scholarship Awards Program on Saturday, April 25, 2009 in order to win their scholarship.

The Washington Crossing Foundation is pleased to offer a variety of national and regional college scholarships ranging from \$500 to \$5,000. Students planning to attend one of the Military Academies or who have been awarded full four-year scholarships will be eligible only for a one-year award with proof of valid educational expenses. Students do not apply for specific scholarships; an application is automatically considered in each category for which it qualifies.

The Ann Hawkes Hutton Memorial Scholarship recognizes her more than sixty years of dedicated volunteer service to memorializing Washington's Crossing of the Delaware, to the Commonwealth of Pennsylvania, and to our nation. The Trustees of the Foundation, mindful of the significance of the important event in our nation's history that occurred at Washington Crossing, Pennsylvania and New Jersey, believe that if our country is to continue to progress, we must have thoroughly trained, dedicated young people to carry on our government's work in future years.

Yours very truly,

Eugene C. Fish, Esquire
Honorary Chairman of the Board
